

Camp Luther Summer Volunteer Program

Interested in serving at Camp Luther during the exciting summer months? Now you can! Camp Luther is excited to offer a brand new Summer Volunteer Program. Come stay at camp, serve the ministry, and take part in our very popular Family Camp program.

When?

The Summer Volunteer Program runs in one-week blocks (Sunday to Friday) beginning on June 12 and finishing up on August 19.

Where do I stay?

Our summer volunteers will live in our brand new Volunteer Village. The village consists of three RV pads and three primitive cabins. Each RV pad comes with 30 amp service and water hookup. The max length for RV's is 37 feet. Cabins contain three twin beds and a full size bed. There is a mini fridge with a freezer and electricity to each cabin. Next door is the showerhouse, which contains restrooms, showers, and sinks.

What hours am I working?

Each adult (18+) is expected to volunteer a minimum of 4 hours per day.

What will I be working on?

Camp has several on-going projects throughout the summer that require volunteer help. These projects include painting (interior and exterior), landscaping, carpentry, brush clearing, cleaning, kitchen help, lifeguarding, organizing, and much more. Volunteers will work with our Facilities Director to schedule projects that suit each person's abilities.

What do I need to bring?

Bring clothes appropriate for the work you will be doing. These projects will be arranged and communicated before you arrive. Each cottage bed will be supplied with a mattress cover, but no linens. Refer to the "Where do I stay" section for bed layouts. General summer attire is best for clothing, and remember your swimming suit!

What about meals?

Meals are offered in our Community Center throughout the week beginning with Sunday supper and ending with Friday lunch. There are four meals not offered during this time. For those meals, volunteers will be offered a packout (cookout) option.

How do I sign up?

Applications can be found at campluther.com/volunteer. These will be available starting May 1. Once your application is submitted, a member of the Camp Luther staff will be contacting you to discuss dates and projects. A government background check will be required once the application is received.

What is Family Camp?

Family Camp is a week-long program for families in our Camp Luther cottages. The schedule is full of fun activities, devotions, pot luck and ice cream social. Members of the Summer Volunteer Program are welcome to participate in any part of the Family Camp program, as long as the volunteer hour expectation is met.
